Dear Child Care Provider:

Thank you for your interest in becoming a Level B provider. The Level B application must be completed in its entirety and submitted with the required supporting documentation.

Please use the checklist located at the end of the application for the submittal of the documents (ABC Child Care Program Required Standards, Part I) needed to begin the enrollment process as a Level B provider. Upon receipt and review of your application packet, the continuation of the enrollment will be determined.

If Part I is successfully met, you will be contacted by an ABC Program Monitor to make arrangements for Part II of the enrollment process, which is/includes the on-site assessment of the services you provide.

If your program does not meet the required minimum score of 80% for all care types, on the day of the visit, then you must wait three months before you may apply again for Level B.

We look forward to having you as a Level B provider in the ABC Child Care Program. Please direct inquiries to Elaine Justice Boyd at 803.898.2747. You can also email Ms. Justice Boyd at [elaine.justice@dss.sc.gov](mailto:elaine.justice@dss.sc.gov).
